Dear Chairman Abney and Members of the House Finance Committee:

The Rhode Island School Superintendents Association (RISSA) is in support of House Bill H-5062.

This act establishes the RI Early Childhood Innovation Act and authorizes department of human services to fund programs for at-risk kindergarten children of \$1,000,000 annually.

This bill represents a needed commitment to at-risk children and provides timely intervention when it does the most good.

Please accept this letter as testimony of RISSA's support for H-5762

Sincerely,

*Timothy P. Ryan*
